BUDGET COMMITTEE REPORT

---

In the review of the 1981 Budget the Committee faced several problems not the least of which was an attempt to contain the ever increasing burden on the taxpayers without reducing services. We feel that the Town can only put off for so long the purchase of needed supplies, services, and maintenance of roads, buildings and equipment. By putting such items off, delay can only mean increased expenditures in the future. However, we do believe that certain measures can be implemented now to help keep costs down such as the Energy Corrections we have made to the town buildings.

It is our opinion that a compact car could be purchased for the Police Department, with a scheduled program of preventative maintenance significant savings could be achieved.

We further recommend that a committee be appointed to study the alternatives to heating and maintaining the Town Hall during the winter months.

We endorse the suggestion that the town could utilize the services available of Supervisory Union 47's new Computer System. This would allow more detailed and accessible record of town financial transactions.

In closing we would like to commend the Department heads and Selectmen for exercising frugality in the preparation of their budgets.

Respectfully submitted,

RINDGE BUDGET COMMITTEE

55.  
ANNUAL REPORT

---

REPORT OF THE ROAD AGENT  
1980

Now that 1980 is behind us, the Highway Department is pleased to say that it has had one of its most productive years -- 7.6 miles of our Class V roads received major work.

The main projects using funds of the Summer, Oil & Solvay, T.R.A., Highway Subsidy accounts were: 1. The completion of Kimball Road and a portion of Hunt Hill Road, consisting of graveling, replacing culverts and a new asphalt surface. 2. Placing a mix and seal on the following roads: 4,150 feet on Perry Road, 10,529 feet on Woodbound Road, 4,300 feet on Robbins Road, 1,330 feet on East Main Street, and 5,126 feet on Hampshire Road. 3. Roads that received just a seal coat were: 3,900 feet on Squantum Road, 2,800 feet on Old New Ipswich Road, and 1,100 feet on Payson Hill Road. 4. Major graveling was done on the following unpaved roads, using 4,150 cubic yards of bank run and crushed gravel were: Old New Ipswich Road, Cross Road, Goddard Road, Bancroft Road and Fitzgerald Road. Also the balance of many unpaved roads received widening, graveling and grading. 5. Graveling the Loop Road in Little Michigan, using 2,525 cubic yards of bank run and crushed gravel. 6. Replacing and adding the following sizes of culvert and underdrains: 372 feet of 12 inch, 30 feet of 24 inch, 73 feet of 15 inch and 300 feet of underdrain.

The Winter Account of 1980 was expended on plowing and treating approximately 55 miles of Class V roads. Due to the mild months in 1980 we were able to decrease the 1980 expenditures by \$ 10,000.00, which is a direct indication that the Winter Budget is determined mainly by the weather during the winter months.

In 1981 we will have the take over and full maintenance of the old Route 202 , through Rindge Center, which will be an additional expense for our department.

The Parks & Playgrounds and Cemetery accounts were mainly expended on the labor to mow and maintain the Town commons, Recreational Area and our three cemeteries.

The Dump account, once again, was expended on the Landfill Rental with the Town of Jaffrey, transfer from our site, and labor to maintain the site. In 1980 the Bureau of Solid Waste Management visited our site several times and I am pleased to pass on their report-- "An engineer with the Bureau of Solid Waste Management, visited your transfer station. He found the facility exceptionally clean and well organized. Evidently all those connected with the Transfer Station's operation put considerable effort into insuring that it is a well run facility. They and the Citizens of the Town deserve to be congratulated."

Respectfully submitted,

Peter J. Anderson  
Road Agent

To the Board of Selectmen  
Town of Rindge  
Rindge, N.H. 03461

Gentlemen:

We have examined the financial statements listed in the index on the preceding page of the several funds of the Town of Rindge as of December 31, 1979, and for the period begun January 1, 1979 and ended December 31, 1979. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town maintains its financial records on a basis prescribed by the State of New Hampshire, which practices differ in certain respects from generally accepted accounting principles set forth in pronouncements of the American Institute of Certified Public Accountants and the National Committee on Governmental Accounting. The principal differences are: (1) the State requires the use of the cash method to record revenues other than real estate and personal property taxes, whereas generally accepted accounting principles require the use of accrual basis; (2) a record of general fixed assets is not required by the State.

In our opinion, except for the effects on the financial statements of differences between accounting practices prescribed by the State of New Hampshire and those required by generally accepted accounting principles, referred to in the preceding paragraph, the financial statements referred to above present fairly the financial position of the several funds of the Town of Rindge at December 31, 1979, and the results of their operations for the period begun January 1, 1979, and ended December 31, 1979, applied on a consistent basis under the modified cash basis of accounting as described in note 1 to the financial statements.

Respectfully submitted,  
CARL C. LITTLE

## ANNUAL REPORT

INGALLS MEMORIAL LIBRARY  
REPORT OF THE TRUSTEES - 1980

On October 10th, Mrs. Edward C. Brummer elected to retire from her position as Children's Librarian, as she felt it necessary to have more time to spend with her family. The library trustees accepted her resignation with sincere regret, noting her long service as President of the Friends of the Library, Chairman of the Board of Trustees during the Building Fund Drive, and ultimately Children's Librarian. She has graciously volunteered to coordinate and direct the Pre-School Story Hour and has also offered to substitute for the Librarians at any time she is needed.

Mrs. David K. Blackall, a summer resident of Rindge, was chosen to fill the vacancy. Her sixteen years of experience working in various capacities in Massachusetts libraries has proved to be most beneficial to the continuation of an increasingly expanding Children's Department at the Ingalls Library.

The high point of this past summer was the Friends of the Library Flea Market, which was without question the most successful ever in Rindge History. We owe a great debt of gratitude to the Friends' organization for the time-consuming tasks that the president, Jodee Lee, and her small but dedicated group have accomplished in 1980. They allocated a portion of the money raised for new cabinets, shelves and an audio-visual desk unit completely installed.

This generous gift, for use in the circulation room, improves service to both children and adults. Another much appreciated gift came from Mr. John C. Sampson, son of Mr. & Mrs. John S. Sampson. This consisted of a selection of books from the prestigious firm of Charles Scribner & Son.

A feature initiated this year is the Coupon Exchange. Patrons may exchange coupons at any time during library hours.

The Talking Book Program, administered by the State Library furnishes materials free of charge to any person who has eye problems that have been certified by a physician. Anyone wishing to take advantage of this program may contact the librarians.

Mrs. Thomas McMullen and her staff, with Mrs. David Smith acting as School contact, have introduced an innovative program for eight classes from the Rindge Memorial School. This has proved invaluable to the teachers who were responsible for designing the Rindge Enrichment Academic Program.

We have relied heavily on the resources and aid of the librarian, Ms. Margaret Perry, at the State Library branch in Keene.

As more school children make use of the library, the juvenile circulation increases. In addition, many adults have become new patrons which leads to more adult books and magazines being used. In the future, we look forward to the patronage of all the citizens of Rindge.

Jean Lowell  
Chairman, Board of Trustees

## ANNUAL REPORT

INGALLS MEMORIAL LIBRARY  
ANNUAL REPORT OF THE LIBRARIAN

FRIENDS OF THE LIBRARY: The staff of Ingalls Memorial Library considers the present Friends organization outstanding because of the accomplishments of a work group which consists of Jodee Lee, Dot Campbell, Clara Fraser, Joe Keenan, Helen Kelly, Cindy Bartel and Peg Brummer. They reorganized the entire catalog card file, put the record collection in order, and decorated for Open House. Their memorable Fair and Flea Market in July has been recorded in photos that will serve to remind us of the many people who worked at the Fair. In addition to the pieces of furniture already presented by the Friends, as mentioned in the Trustees' Report, a cabinet desk unit was recently installed in the alcove directly off the Children's Room. The desk is for the use of Justine Blackall, Children's Librarian. Because of the exceptional fund raising ability of the local chapter, it came as no surprise that President Jodee Lee was given a certificate of special recognition at the Annual Meeting of New Hampshire Friends of the Library, which met in Concord on September 27th. The Library is proud to have such a group. Theresa Aunio, assisted by Anne Olson, directed a bake sale during Open House, October 18th. Money raised at this event provides books and materials for Pre-School Story Hour, which began in the fall. This service was requested of the Library by the Rindge Woman's Club and was inaugurated by Peg Brummer. The cost of heat for the Meeting Room has been subsidized by the Friends. In December, a Children's Tree Trimming Party, with library pages and apprentices to supervise the youngsters, ended the year on an upbeat.

STAFF: Mr. Green, custodian, faithfully polishes up the Library every day at 8 a.m. He is available at all times for every sort of repair, delivery, and emergency. Bravo Ralph. The Librarians completed courses in Cataloging, Adult Programs and Reference Work and attended State conferences. The Saturday schedule is maintained by a loyal volunteer staff. Many tours of the Historical Society's Museum were given by members.

CHILDREN'S DEPARTMENT: Peg Brummer has given exemplary service to the children who use our Library. But alas, after devoting 4 years to this work, she has found it becoming increasingly difficult to mesh her hours at the Library with family activities. So, she requested that the Trustees locate another librarian to handle this department. Her final report follows: Library Reading Program, Grades 1-3. From January to May 1980, the total number of Story Hours held was 17; average attendance 15. Some students enrolled in the Franklin Pierce College Early Education classes volunteered their services and were under the supervision of Mrs. Eleanor McMullen, Librarian and Mrs. Barbara Nichols, Trustee. The Summer Reading Program, with a joint theme of "Collecting and Museums" was directed by Mrs. Edward Brummer, assisted by Mrs. Thomas McMullen and Mrs. Ralph Green. Thanks are due to Mr. Ralph Hoyt, Postmaster, for speaking to the children on "Collecting Stamps"; also to Mrs. Laura Henrikson and Col. Howland Taft, USMC, for accompanying the youngsters on the trip to the Higgins Museum of Armour in Worcester, MA., and Mrs. Gail Smith for her chaperoning on the Boston Children's Museum trip. About 40 children signed up for the summer program. Special recognition should be made of those who constructed dioramas as a supplement to their reading--Lori Hoyt, Dick and Matt Whitehead. The program culminated with a party and trip to the Murray Museum on August 19th. Mrs. Norma Bell, Mrs. Laura Henrikson and Mrs. Gail Smith assisted in transporting the group. Mrs. Justine Blackall, the new Children's

Librarian, now directs Story Hour. Because a morning pre-school program had been initiated by the Rindge Woman's Club, prior to Mrs. Brummer's retirement she volunteered to continue this service to the Library. The pre-schoolers have been meeting on a bi-weekly schedule, which has slowly gained popularity to date. Through the funds of the Friend's group, books have been purchased for the Toddlers' use. MSB

Justine Blackall comments that she is happy to be working at Ingalls and is learning new things every day about the Library and Rindge. She is looking forward to becoming better acquainted with the children as time goes on and has been made very much aware of the FPC Story Hour. A small library like this one requires diversified work, and she notices that each librarian becomes much more involved in the entire library structure. JAB

COMMUNITY: "Welcome to Rindge" Booklets, written by Peg Brummer and designed by Dudley Walz, were brought out at last Town Meeting; since the Town of Rindge assumed the cost of insulating the entire Library, the Townspeople have appreciated the improvement in comfort and the Trustees have noticed greater fuel efficiency.

During 1981, whether in search of baubles or treasure, please use your library.

Respectfully submitted,  
Eleanor McMullen, Librarian

RINDGE CONSERVATION COMMISSION - 1980

The goal of the Rindge Conservation Commission has been to insure protection of the community's natural resources and watershed, to manage property under its control and to further conservation education.

Chairman, Fred Robbins, wrote and distributed at Town Meeting a newsletter giving suggestions on woodlot management and telling of Conservation Commission activities.

Scott Ames built a picnic table which was placed at the Town Forest along with a refuse container. Barb wire was removed from the area making it safer for picnickers.

The Rindge Selectmen agreed that in the future, in accordance with R.S.A. 36-A:1-6, The Conservation Commission will be allowed to accumulate the unexpended balance of each year's appropriation in a Conservation Fund for special projects and land purchase.

The Conservation Commission sponsored David Ducharme and David Robbins at Youth Conservation Camp at Interlocken in Hillsboro Upper Village on June 22nd-June 26th. The Commission is grateful to Marge and Ed Stevens of Ed's Auction and to Bob Allen on behalf of The Monadnock Bank for providing scholarships.

Conservation Commission members also attended Planning Board meetings on the Master Plan, reviewed dredge and fill applications and followed up on complaints about a dredge and fill operation on the Goddard Road.

Richard Mellor attended an orientation training session of the N.H. Association of Conservation Commissions in Amherst. He learned valuable information on how Conservation Commissions may obtain matching funds for land purchase.

## ANNUAL REPORT

SELECTMEN'S REPORT-1980

---

In 1980 we worked on many different projects. We completed the first phase of Energy Savings measures in the Town buildings. At the Town Office we completed the insulation and panelling of the entire inside of the building. Also, we purchased storm windows for the Town Office and Meeting House. Insulation was also added at the Library. The fuel savings have been noticed in all the buildings except the Meeting House where costs continue to increase. Therefore, we found it necessary to close the building to the public except on Tuesdays and Wednesdays during the winter months,

We finally did the first phase of the Street Light project as had been recommended by the Budget Committee. Hopefully in 1981 we will complete the project eliminating all lights except at intersections where there will be mercury vapor lights. These two energy conservation measures provided a great savings to the Town in 1980 and in future years.

For road projects, we again applied State T.R.A. and Highway Subsidy monies to completion of the Kimball Road Construction Project. Also, due to the Special Article, the Loop Road in Little Michigan was upgraded and made more passable for year round traffic.

The Selectmen solicited bids for a new Highway Dump Truck and Attack Tank Truck for the Fire Department. During the 1980 budget hearings, we were advised that the Fire Department would not seek any additional monies for at least five years for new trucks. That is the reason the Rescue Truck is listed in this year's warrant by petition. We hope that the 1970 International could be sold first and the proceeds go to purchasing a new Reel Truck and Rescue Truck.

Early in the year we worked closely with Franklin Pierce College, the Rindge Fire Company, and the State Fire Marshall in regards to the false alarms at the college. We finally arrived at a solution which was accepted by all and the Firemen finally had some free weekends without alarms.

To the pleasure of many, the State of New Hampshire finally completed the Route 202 bypass of Rindge Center. The new road was opened July 3rd just in time for the 4th and summer vacations.

We again wish to thank all the town officers, employees, board members, town counsel, and all the committees who have worked so hard to make things run smoothly over the past year. Special thanks go to our secretary, Mabel Speckman, who does all of our paperwork and somehow manages to get the Town Report typed and to the printers on time. There are many dedicated people in Rindge and we are indeed fortunate that so many are willing to serve which adds much to the enjoyment of life in Rindge.

Desire plus opportunity equals crime. The National Crime Index, as prepared by the Federal Bureau of Investigation, shows that the rate of crime in nineteen eighty (1980) increased greater than the rate of the preceeding five years. We the Police and you the home-owner and businessman cannot do anything about the desire within some lawless individuala to commit a crime, but we can reduce the opportunity and increase the risk of apprehension through our concerted efforts. You can help through the practice of crime prevention techniques, some as simple as a strong lock on your door, the notification of Police and neighbors when you're away for extended periods, or the support of more and better youth recreational programs so the "kids" don't have idle time on their hands.

The main form of Police activity designed to reduce the opportunity or to create the belief that the opportunity to commit a crime does not exist is patrol. Last year, we logged in excess of seventy thousand (70,000) niles of patrol. And, as the above statistics indicate, we do engage in active traffic enforcement. Our efforts in this area resulted in fewer and less severe personal injury accidents in spite of an increase in the total number of accidents. Our efforts were also recognized by the Governor's Highway Safety Agency, which awarded the department a grant of fourteen hundred (\$1400) dollars for participation in a S.elective T.raffic E.force-ment P.rogram which netted the arrest of twice the amount of operators for driving while intoxicated than the previous year. Investigations into the theft of property from out buildings, unoccupied camps, and residences continues to be our number one priority, and in this area, we were successful in the apprehension, prosecution, and incarceration of several individuals and the dollar amount of stolen property recovered and restitution made to victims of crime was in excess of thirty-six thousand (\$36,000) dollars.

The tendency by citizens to feel police are solely and totally responsible for the safety and security of the community is a misconception. Law and order, to be achieved, must embrace the commitment and cooperation of the people. Crime can be prevented to the extent that every citizen recognizes that one of the very real obligations which the privilege of freedom demands is a deep and vital concern for his own and fellow man's person and property. I ask every resident to become the "eyes and ears" of the police, and with your fullest support and participation, our efforts of crime prevention and control can succeed.

The total Fire Calls remained basically the same in 1980 as in 1979. Chimney Fires were up a total of 5 calls, due to the increase of people using wood for auxillary heat. We recommend people burning wood to inspect the chimneys and clean them as often as possible to prevent both chimney and partition fires. During 1980 we received delivery of our 1980 2000 gallon Attack Tanker and many hours of training were spent on it. Also many hours have been spent in training this year both in the Fire and Medical Service to the Town. Two members finished their E.M.T. Training this year. The Fire Department recommends that people practice Fire Prevention in their homes and to install Fire Detectors for the safety of themselves and the safety of others. As in the past the members of the Fire Company have put in many hours of training to better themselves for the good of the community. We hope to have the continued good support of the people of the Town of Rindge in 1981 as we have had in the past.

RINDGE RECREATION DEPARTMENT  
ANNUAL REPORT 1980

The purpose of the Recreation Department is to provide worthwhile opportunities and enjoyable experiences for people of all ages. Our pursuit is to offer new experiences and traditional interests; to enable people to go places and do things that they might not as individuals have the opportunity to do. No recreation program can match the values that the family unit offers, nor can any department satisfy the requests of every single person in the community. What the Recreation Department can do is supplement the family activities and construct a program of opportunities for people to choose from. The department is a community resource who in cooperation with other community groups, clubs, and organizations strives to assist in the development of community wide programs of wholesome leisure time activities for the children, youths, and adults of Rindge to enjoy.

In the first full year of existence as a department participation increased from 668 in 1979, to 1,551 this past year. Sixty programs of varying types were offered to community members. A Summer brochure was distributed to better inform citizens of departmental events and other town functions.

Special Events were held in conjunction with major holidays, traditional community events, and also during various times of the year. You will recall the Memorial Day Road Race; bicycle safety rodeo; youth campout; pet show; Youth-Adult Tennis Tournament; Little League Field day; sports clinic run by Franklin Pierce College athletes; Rindge Center band concert during the Mens Club famous Roast Beef Supper; puppet shows at both the Library Flea Market and the Womens Club Harvest Festival; West Rindge Band concert after the Firemens Barbecue; and various film festivals. The department kept especially active during the Halloween and Christmas season. Ghosts, Princesses, and hobgoblins came to both a morning pre-school Halloween party and an evening party complete with a spook house haunted by the two Rindge Youth Groups. Christmas as spent delivering letters and phone messages to Santa, and decorating the Town Tree with the help of the Girl Scouts and some other friends.

Department sponsored bus trips took area people to the Ice Capades; the Ice Follies; Hampton Beach; Whalom Park; Deep Sea Fishing; and professional athletic events watching the Bruins, Celtics, and Red Sox perform.

Rindge Youth Baseball expanded to including four Little League teams and an Instructional League for younger ball players. Eighty-two youngsters became involved through the efforts of many cooperating volunteer coaches, umpires, and parents. Local businesses and agencies aided in acquiring equipment while the youngsters helped their own cause by holding a car wash at the Town Barn.

The Summer Playground was held at the Rindge Memorial School with Lara Whitehead and Steve and Laura Loughlin leading the activities. Other special activity classes run during the Summer Season included: Macrame; Drawing; Painting; Yough Golf; Tennis Lessons; Chess; Photography; Embroidery; Gymnastics; Arts and Crafts; Active Youth Sports; and two types of Swimming Lessons, one through the Red Cross at Franklin Pierce College and the other being waterproofing in cooperation with the Jaffrey Recreation Department.

A new and unique community service program called the Rindge Youth Job Service was instituted during the summer. The aim of the service was to have the department act as a go-between for potential young laborers and local citizens who may have had odd jobs that needed to be done.

Other programs were offered throughout the year, with Dale Moynihan's Aerobic Exercise for women and Kindergym for pre-schoolers being the most popular. A February, Spring, and Christmas vacation program was available to youngsters when school was not in session. Volleyball and mens basketball were popular adult activities while intramural youth soccer was enjoyed by gradeschoolers in the Fall.

1980 saw some new physical additions and changes to town recreational facilities. A swing set and park bench are now being enjoyed in Ware Park at West Rindge through the efforts of the West Rindge citizens and the Monadnock Fabricators. There is now a tennis practice board at the Wellington Road courts; and after a work day at the recreation area, picnic tables and barbecue grills are now in a more conveniently located area ready for use.

The youth of Rindge are fortunate to have many additional character-building opportunities open to them. There are now active Girl Scouts, Brownies, Junior and Senior High Youth Groups; the \$-H, Junior Librarians, and a recently rejuvenated Boy Scout and Cub Scout Troop.

The Recreation Department looks forward to even more cooperation and participation of entire families in upcoming programs to make our endeavors even more worthwhile and successful in 1981 and the hereafter.
